

Membership Benefits

Invitation to join the Global Alliance

The Global Alliance for Public Relations and Communication Management is the confederation of the world's major public relations and communication management associations and institutions, representing over 360,000 practitioners and academics across 126 countries worldwide. Global Alliance is a global, diverse and multicultural organisation, representing professionals across all religions, cultures, societies, ethnicities, abilities and sexual orientations.

The mission of the Global Alliance for Public Relations and Communication Management is to unify the public relations profession, to raise its professional standards all over the world, to share knowledge for the benefit of our members and to be the global voice for public relations in the public interest.

Knowledge is Power

Share knowledge with leaders from the world's major Public Relations & Communication professional associations and institutions on every continent.
